# Testimonials

"Forrest Larson is proof that you can be a great teacher of the game no matter where you are. I would send my son or daughter to the Take it To The Rim Basketball Camp in a New York Minute."

**- Dick Bennett, Former Wisconsin/Washington State Coach**

"At the Take It To The Rim Basketball Camp you will use many of the same drills that we use in our own individual instruction program. The Take It To The Rim Basketball Camp is one of the best instructional and skill development camps in the country. If you are serious about putting in the time and effort that it takes to become a better basketball player; I would strongly recommend the Take It To the Rim Basketball Camp be a part of your summer schedule."

**- Billy Donovan, Chicago Bulls**

"Forrest is one of the best I have ever seen working with young players improving their dribbling and ball handling skills. Our staff and players always look forward to inviting him to the Iowa Basketball Camps each summer."
